Reviews

The OAT books...ooze class and are worth every penny.
*Simon Hazeldene
Today's Pilot*

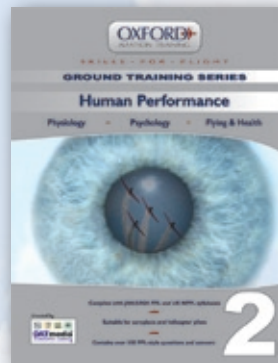

Desirable objects to own that would grace any aviator's shelf...I wish I had them when I was learning to fly.
Pilot Magazine.

..so good, at times it feels like there is an instructor sat right next to you explaining it all...
Go Flying Magazine

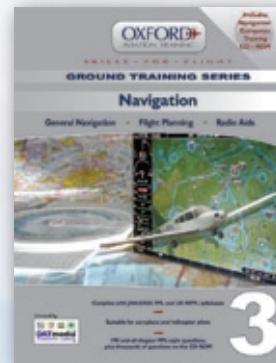

This impressive set of seven full-colour, hardback textbooks are the finest, most professional ones we have seen.
